

ES300

Cleaning carpet spaces in a big way

- greater productivity for large carpeted areas

With ES300 Nilfisk has entered a new era of carpet cleaning. This machine is ideal for cleaning your high and light traffic carpeted areas and not only remove dirt and water, but the machine also meets the highest standards to extend the life of your carpets. Besides its great productivity and cleaning performance ES300 is easy to operate.

On the ES300 you find standard features like:

- A floating brush head adjusting automatically for better carpet contact and improved water recovery
- A larger tank with increased water capacity provides extended cleaning time and fewer refills
- Powerful vacuum motor for efficient removal of dirt and faster dry times
- Adjustable handle design for easy maneuverability in tight spaces
- Compact design makes storage and maintenance much more convenient
- Quickly switch between cleaning modes
- Large wheels for easy maneuverability for up/down stairs

These innovative features, among others, are why Nilfisk machines are some of the most cutting edge and user-friendly available, making cleaning easier.
