DS 350 & HS 350

Simple to use and efficient dual speed and high speed single disc machines

- Simple and user-friendly. The machine is automatically locked of when the handle is in 90 degree vertical position. Soft start system and automatic brush installation
- High quality product. The aluminum base and low noise thanks to belt driven motor
- Great value for money. Water tank, brush and pad holder comes with the dual speed machine. Furthermore the dual speed single disc offers a choice of 175 or 350 rpm for easy, efficient and cost-effective maintenance of all floors
- Easy to use. Large rear wheels facilitates transport and makes a well-balanced machine

You will find it ideally suitable for daily indoor cleaning hotels, restaurants, schools, shopping malls, exhibition centers, as well as schools and government institutions.
